*A Safe Place To Be...*

## Our Mission

La Casa is a non-profit organization providing comprehensive services, including shelter, in order to diminish domestic violence and abuse in all forms. Our services are available to ALL individuals, regardless of race, creed, religion, gender, sexual orientation, national origin or disability.

## Our Vision

We envision a community knowledgeable about domestic violence and abuse and fully engaged and committed to its eradication.

## Our Creed

We believe domestic violence and abuse can be overcome. We believe that dignity, social justice, safety, freedom from abuse and the pursuit of happiness are basic human rights for all, rights that can only be realized with the active engagement of the entire community. In all our endeavors we affirm these rights without regard to race, creed, religion, gender, national origin, sexual orientation, disability or any other differentiating factors. We actively oppose all forms of violence and abuse including physical, psychological, emotional, verbal, sexual and economic.

*The role of La Casa, like many other domestic violence organizations - in collaboration with others - is to carry out a vision and a plan for making the world better for all victims of domestic violence that we see and those whom we will never see.*

### Public Education and Prevention

La Casa provided 120 community education and prevention activities to raise public awareness on domestic violence issues and services to 2,400 individuals. Education and prevention activities were provided at schools, churches, professional, and civil groups.

### Financial

Revenue 2005-2006

La Casa depends on the financial support of individuals, businesses, churches and service groups for one fourth of our annual budget.

These monetary contributions are used for such varied expenses as: food, utilities, salaries for shelter workers, educational and recreational materials for the children at our shelter, and travel expenses for victims and their children needing to relocate for safety reasons.

Please continue to support La Casa in fulfilling our mission.

*Thank you*
