

# La Casa Meeting Guidelines

## **At the Board Meeting:**

- Public comment is limited to the time indicated on the agenda.
- No one may speak at the meeting without prior approval.
- However, it does happen that people show up and are not aware of the need for prior approval. The board does have the leeway to take a vote and if there is time, allow someone who has not been approved to speak. This is the exception, not the rule.
- Each approved speaker has a total of 2 minutes they may address the board at the meeting.
